

AFP Annual Conference San Diego Summary

Created: Saturday, 18 November 2017 08:55

A very well attended conference as always. Attendees are able to choose from nearly 150 sessions and workshops over a four-day period and there was over 200 exhibitors displaying their latest products and services.

Many of the companies attending and speaking at the sessions run intercompany netting so it was great to see so many visitors to our stand.

Thanks to all who expressed interest, to our clients and partners for coming by.

Here's a few photos to mark the occasion
